## OUR CONSULTANCY

### PACKAGES

We provide three levels of services based on the amount of time spent working on your project. In the end, there are no fees for account management and there are no hidden charges. The system is completely transparent and open for total assurance.

After you've booked with us you have the opportunity to utilize as you please You can provide us with a briefing on the work and let us work on giving it to you, or we could work working together with your team and you.

If we've not collaborated before, we would suggest a brief 30 minute call to discuss the requirements prior to scheduling an hour-long Sounding Board or full-day Gold Standard session. If you prefer, you can schedule trouble Shooter phone call with us immediately.

## More **Projects**, and More **Help**

Do you own a larger project that will require longer than a day? That's great – we like large challenges. First, set up an initial phone meeting to help us decide if deMastery fits best placed to assist you. If we're able to help, we will. However, in the event that we cannot, we'll make use of our vast network to assist you in finding the best support
