

SPHERE IS A BEACON FOR Creators|

SPHERE is a social enterprise working to improve the future by connecting science and leading voices.

At SPHARE, we are passionate about the world and believe we can engage the public by delivering compelling, productive content and utilising the power of social media.

To do so, we collaborate and work with pioneers, leaders and shapers, providing them tools to champion socially and environmentally crucial causes that connect with their audiences.

BE LIKE US

We are passionate about the world and believe we can engage the public by delivering compelling, productive content and utilizing the power of social media.

To do so, we collaborate and work with pioneers, leaders and shapers, providing them tools to champion socially and environmentally crucial causes that connect with their audiences.
